

15th July 2022

Dear Parents and Carers,

There has been so much to celebrate and be proud of this week. It was a great pleasure to read our children's reports, look at their assessments, see how much progress they have made over the past year and also to share this with you during our parent consultations. We are excited for the year ahead, all the children now know and have met their next teacher and transition events have been really successful. It was also fantastic to celebrate our sports day together in glorious weather on Wednesday. The children had a very special day taking part in lots of brilliant sports activities in the morning and running a variety of races in the afternoon. Even our parents and teachers got involved before finishing the day off with an ice-lolly! Huge thanks to everyone involved in making it happen. Today we celebrate our wonderful Year six cohort as they prepare to spread their wings and move on to secondary school. We are incredibly proud of them.

Hot weather

You are no doubt aware that we are expecting very warm temperatures on Monday and Tuesday next week. We are mindful of this and are taking what steps we can to keep cool whilst in school:

- We have good ventilation in school and will aim to keep air circulating throughout the day;
- We will ensure children are being kept hydrated and will provide plenty of water;
- We will avoid vigorous physical activity;
- We will encourage children to wear their summer polo shirts and shorts or summer dresses;
- We encourage everyone to bring in a sun hat and apply sunscreen (as we did for sports day)

Uniform sale

A reminder that pre-loved uniform will be on sale in the playground today at pick up time.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'A Taylor'.

Mr. A. Taylor
Headteacher
