

20th June 2022

Dear Parents and Carers,

With less than five weeks until the end of the academic year, I am struck with just how rapidly it feels our year together has progressed. I am incredibly proud of the hard work of our pupils who continue to push forwards in their learning. Over recent weeks our Year 2 and 6 cohorts have taken part in end of Key stage assessments; our Year 1's have completed their Phonics screening check and our Year 4's have completed their Multiplication Tables check. Congratulations to all of you! Recently, it has been great to see children able to extend their learning on class trips and I know more of these are to come before the end of the year.

### **Learning updates**

I hope you are enjoying the weekly learning updates as a regular reminder and celebration of all the wonderful learning happening in school. We have developed this as a bit of a hybrid between daily learning updates and parent newsletters so do let us know how you are finding them..

### **Boys Football**

Special mention must go to our Boys Football team who have now completed their season winning every single game and finishing top of the league! A fantastic achievement for all involved but more importantly they should be proud of the spirit and values they have demonstrated throughout the year.

### **Sports Day**

Sports Day will be on Wednesday 13<sup>th</sup> July this year. More details will follow nearer the time.

### **Transition Day**

Children will meet next year's teacher and spend the day in their class on Wednesday 6<sup>th</sup> July. This aligns with the rest of Warwickshire and with Year 6's visit to their secondary schools. There will be an opportunity for parents and teachers to be introduced after school on that day. More details to follow.

## Holidays

If you are thinking ahead to Holidays over the next year or so, please ensure they are booked outside of term time. [Term dates can be found here](#). This is relevant all year round but never more so than in May and June when so many of our children are involved in important assessments. We really value your support in this. SATS will take place the week commencing 8<sup>th</sup> May 2023.

## School growth

Our school has been oversubscribed for the past two academic years with applications for Reception and we are formally consulting on raising the capacity of the school to 420 pupils. If you'd like to share your views on this, [please click here](#).

## End of term

School will finish at 2:00pm on Thursday 21<sup>st</sup> July. Angels after school club will run until 4:30pm on that day.

Don't forget to complete our [Parent Feedback Survey](#) by **next Monday 27<sup>th</sup> June!**

*"Oh come, let us sing to the Lord; let us make a joyful noise to the rock of our salvation! Let us come into his presence with thanksgiving; let us make a joyful noise to him with songs of praise!"*

*Psalm 95: 1-2*

Yours sincerely,

Mr. A. Taylor

Headteacher

St Gabriel's CofE Academy, Houlton Way, Houlton, Rugby, CV23 1AN
