

14th September 2022

Dear Parents and Carers,

The first week back seems to have flown by, thank you for your help and support in ensuring such a smooth start to the year for our children (despite the rain at pick up time!). Next week, we would like to invite you to your child's class for a **parent information session** after school, where you can hear **key messages for the year ahead** including how to support your child's learning at home and what the children will be learning in school. Reception classes' session includes important information about our shared learning platform 'Tapestry'. Following Reception and Year 1 sessions, there will be a joint briefing about Phonics, our school's approach to teaching children to read. It would be fantastic if you were able to join us for these important sessions! They should last around 20 minutes and children are welcome to attend with parents. Presentations will be sent home for anyone unable to attend.
