Typical Timetable:

| | | | | | | | | | | | | | | |
|-----------|-----------------------------|-------------|---------|---------|--------------------|----------|---------------|-------|-----------|------------------|------------|------------|-----------|----------------------|
| Monday | Register / Morning Activity | Spelling | Reading | English | Collective Worship | Playtime | Maths Fluency | Maths | Lunchtime | Reflection Time | Story Time | PE | | |
| Tuesday | | Handwriting | Reading | English | | | Maths Fluency | Maths | | Reflection Time | Story Time | Humanities | Languages | |
| Wednesday | | Spelling | Reading | English | | | Maths Fluency | Maths | | Science | | Computing | | |
| Thursday | | Handwriting | Reading | English | | | Maths Fluency | Maths | | Reflection Time | Story Time | Music | PSHE | Spelling/Handwriting |
| Friday | | Art/D&T | | | | | Maths Fluency | Maths | | Bible Story Time | | RE | | |

Things to remember:

Children need to bring in a named water bottle every day and if they would like to, they may bring in a piece of fruit for a snack at playtime.

Your child will need to bring a PE kit to school each Monday.

Home Learning:

Throughout their time in Year 6, children are expected to engage in a variety of home learning activities which support them in knowing more and remembering more of the content we teach. It is also an opportunity for our pupils to develop their independent study skills in preparation for secondary school.

We use the online platform 'Seesaw' to set home learning tasks and for children to upload completed activities. As well as directed learning tasks, we are also keen to see any other learning or activities children take part in.

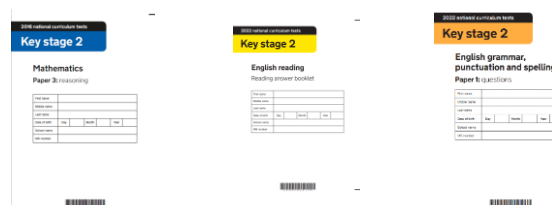

We believe reading is the most important skill children learn during their time with us. In Year 6, we expect children to read regularly and for this reading to be recorded in their Reading Records. Children have the opportunity to change their books on Mondays or Thursdays.

Children have access to a range of online learning platforms, including Times Tables Rock Stars and Spelling Shed, which help them develop their key skills.

SATs:

At the end of Year 6, children are assessed in a series of tests known as SATs. In May 2024, Year 6 pupils will complete separate tests covering topics taught in English and Maths during their time in KS2 (Y3-6). These will begin on Monday 13th May 2024 and will end on Thursday 16th May 2024.

The tests include:

Maths:

Paper 1- Arithmetic.

This paper looks at children's ability to answer a range of questions, often using formal written methods.

Paper 2 and 3 – Reasoning

These papers require children to apply their mathematical knowledge to solve problems.

English:

Reading Paper

Children will be given three extracts from texts and will be expected to answer a range of questions which show their comprehension skills.

Spelling, Punctuation and Grammar: Paper 1 and Paper 2

Children will sit a paper testing their understanding of spelling, punctuation and grammar from KS2 and will also complete a spelling test consisting of 20 words.

As the year progresses, children may bring home study books/packs to help consolidate their learning, as well as providing important preparation for their SATs in May.
